ALL TIMES LISTED ARE MOUNTAIN STANDARD TIME (MST)

South Dakota State AAU

Wrestling Standards and Ethical Conduct

1. No more than 1 coach in the corner.
 2. The coach's sole purpose is to support his/her wrestler during their match. They **WILL NOT** question officials or table workers about rules or calls of any kind. Any violation will result in loss of your coaches' card.
 3. Coaches will treat officials, athletes, coaches, and tournament workers with due respect both in victory and defeat and should encourage their wrestler to act in a similar manner. Profanity, racial or sexist comments, or other intimidating actions will not be tolerated.
 4. Coaches will respect the spirit of a rule as well as the letter of the rule. Coaches will respect the difficult job officials have in enforcing the rules of wrestling. Taking advantage of these rules to gain an advantage is not ethical. It indicates an unhealthy focus on winning.
 5. Coaches must accept responsibility for the conduct of their wrestlers insofar as they will undertake to discourage inappropriate behavior.
 6. Coaches will teach and more importantly model good citizenship and sportsmanship. Athletes must understand your commitment to helping them develop character and moral reasoning.
- **Any violation of these standards will result in the removal of your coaching card.**
 - **Any expressed aggression in losing your card is grounds for removal from the premises.**
 - **We request your cooperation by supporting participants, workers & officials in a positive manner.**

MATSIDE COACHING

Coaches will be allowed matside with the purchase of a coaches pass. No more than one coach per wrestler will be allowed matside. If coaching, an AAU membership card is required and must be presented to purchase a SDWCA coaches pass at the state tournament. (AAU membership cards CANNOT be purchased at the tournament).

RULES OF COMPETITION

Folkstyle high school rules will apply to all division except for Girls High School, Cadet and Elite. The only difference will be the periods will be 1:30 each and a technical fall is 12 points. Overtime will be one-minute sudden death and if still tied the person that scored first gets his choice of top or bottom for a 30 second tie breaker. If the score is 0-0 then a coin will be flipped for choice.

Freestyle rules will apply to the Girls High School, Cadet and Elite divisions. Cadets will wrestle 2 – 2-minute periods and Girls High School and Juniors will wrestle 2 – 3-minute periods. The major difference between the two styles, Folkstyle wrestling puts more emphasis on controlling your opponent, while Freestyle puts more emphasis on exposure points.
