Items Discussed

1. Talked about the possibility of having two officials on every SDWCA championship match
 1. Board thought this was a good idea as long as we have enough officials to cover it
2. It was brought to the SDWCA board about trying to get only certified officials for Regions
 1. There are only 50 some certified officials in the state, would be nearly impossible
 2. SDWCA is not going to mandate that certified officials are at Districts or Regions
3. Rollie Fink has approached SDWCA and wants SD to switch to USAW instead of AAU
 1. Would need SDUSAW to provide financial numbers on how that would impact our state, how would the money compare to AAU, possibly meet at the summer meeting?
 2. SDWCA will approach SDUSAW about rolling through freestyle finals instead of hosting singular championship matches one at a time
4. Possibly looking to put a Girls HS head coach on the SDWCA board
 1. Would be good to get a female on if possible
 2. Would be good to get a document of responsibilities of all board members
5. USF mens and women wrestling team looking for a possible donation
 1. We will vote in summer meeting
6. Will talk about SDWCA postseason girls weights at summer meeting
7. Will talk about Mandy's Trackwrestling pay at summer meeting
8. Summer meeting will be Monday, July 10th at Al's Oasis at 11 AM Central
